An Amazing Invention—"Magic Art Reproducer"

DRAW

**Anyone can Draw With This
Amazing New Invention—
Instantly!**

De Luxe Model
Complete for only

\$1.98

—With extra
high power,
extra clear and
sharp "repro-
ducer" unit.

A New Hobby Gives You A Brand New Interest!

Yes, anyone from 5 to 80 can draw or sketch or paint anything now... the very first time you use the "Magic Art Reproducer" like a professional artist—no matter how "hopeless" you think you are! An unlimited variety and amount of drawings can be made. Art is admired and respected by everyone. Most hobbies are expensive, but drawing costs very little, just some inexpensive paper, pencils, crayons, or paint. No costly upkeep, nothing to wear out, no parts to replace. It automatically reproduces anything you want to draw on any sheet of paper. Then easily and quickly follow the lines of the "picture image" with your pencil... and you have an accurate original drawing that anyone would think an artist had done. No guesswork, no judging sizes and shapes! Reproduces black and white and actual colors for paintings.

Also makes drawing larger or smaller as you wish.

Anyone can use it on any desk, table, board, etc.—indoors or outdoors! Light and compact to be taken wherever you wish. No other lessons or practice or talent needed! You'll be proud to frame your original drawings for a more distinctive touch to your home. Give them to friends as gifts that are "different," appreciated.

Have fun! Be popular! Everyone will ask you to draw them. You'll be in demand! After a short time, you may find you can draw well without the "Magic Art Reproducer," because you have developed a "knack" and feeling artists have—which may lead to a good paying art career.

FREE!

"How to Easily Draw Artists' Models"

This valuable illustrated guide is yours free with order of "Magic Art Reproducer." Packed with pictures showing all the basic poses of artists' models with simple instruction for beginners of art. Includes guidance on anatomy, techniques and figure action.

NOW YOU CAN SOLVE "TOUGH" MATH PROBLEMS LIKE THIS!

$$47892 \times 39421 = ?$$

AS EASY AS $1 + 1 = 2$

GET A BETTER JOB WITH HIGHER PAY.
SECURITY IN THIS ATOMIC AGE!

This man is multiplying numbers that should ordinarily produce the answer in about 4 minutes. The answer appears on his blackboard in less than 15 seconds flat! Yet he knows little about math! As a matter of fact he failed arithmetic in school. Read on to discover the fantastic new method that even a child can learn easily in just a few short hours—at home...

Yes, in just hours you can turn into a "math wizard" even though you know little about arithmetic! Surprise your friends with your "EZ MATH" ability... enjoy job security and advancement... a better job... Increase your self-confidence and prestige—all through amazing new "EZ MATH".

The world is moving fast these days. In good times and bad the ability to handle mathematical problems in our age of electronics, automation and nuclear science is becoming more and more necessary for promotion on the job and for higher pay. If you don't think you have what it takes—and if you believe that "math" is beyond your power—then you're in for the biggest surprise of your life!

For now you CAN learn to DIVIDE, MULTIPLY, ADD and SUBTRACT figures not only quickly and easily—but also in a FRACTION of the time the average person requires! You can actually solve such tough problems as multiplying a 5-figure number by a 7-figure number in your head without ever touching pencil to paper... or dividing #36791 by 284, for example, in exactly 15 seconds—even if you "flunked" math in school!

The secret of success in "math" is NOT laborious study and wearisome practice—but, on the contrary, knowledge of SPECIAL SHORT CUTS, LITTLE-KNOWN METHODS of calculation and arithmetical "tricks" that take the work and gamble out of figuring. These methods—so new and radical that they have not yet been incorporated in our school systems—take but a few hours to learn. Yet they permit you to OUT-THINK and OUT-FIGURE the average high school and college graduate who hasn't had the benefit of these amazing methods! You can even BEAT AN ELECTRIC CALCULATOR in answering many problems!

Sharpen Your Brain Power— with Short-Cut "EZ MATH"!

Imagine being asked to divide 38634 by 894—and rattling off the answer absolutely correctly in 7 seconds! Or—multiplying 36934 by 982.7 and coming up with the correct result in 11 seconds! Or adding 29 numbers each with 6 digits—and supplying the right total every time! People will GASP at your fabulous lightning-quick mind. You'll be able to JUGGLE numbers... do STUNNING TRICKS... amaze your friends and boss—and be a "master mind"!

With a knowledge of "EZ MATH" you no longer need be puzzled by such every-day figuring as computing interest charges on installment purchases... division, multiplication and addition of fractions... adding long rows of numbers with 100% accuracy... adding and subtracting fractions from whole numbers—plus many, many other practical and valuable pointers you will use daily to your advantage. The few hours you spend with this course will really pay off. Numbers are the basic instrument of all scientific and technical work. The man or woman who can use "math" is rewarded, recognized quickly, moves ahead in his job faster and more surely!

Order Today on No-Risk Free Home Trial!

Send for "EZ MATH" today on our no-risk money-back guarantee! Use the book for 30 days... prove to your own satisfaction how far a knowledge of "EZ MATH" can advance you in business and social life. If you don't agree that this is the best investment you've ever made... if your family and friends aren't AMAZED by your new ability—return the book for full and prompt refund.

"My 10-year old had nearly always failed arithmetic with old-fashioned arithmetic. Then he found my copy of 'EZ MATH'. Now in less time than you can put the numbers on a blackboard, he can multiply 839172547 by 12. It's amazing and my wife uses it to check grocery lists."

"You have a unique new teaching approach for which I compliment you. It's the best I have ever seen. Pupils' marks seem to be climbing as a result. Should help in any job. Excellent for home tutoring use."

—SCHOOL PRINCIPAL
"Thank you! Thank you! Thank you! All our children are using your system too, and it is terrific. My husband and I are using it—and it works! My husband has already received a job advancement with tremendous boost in pay. Best investment we have ever made!"

—HOUSEWIFE

CAN YOU SOLVE THESE EVERY-DAY BUSINESS AND SOCIAL ARITHMETIC PROBLEMS IN THE TIME ALLOWED? YOU CAN DO THEM EASILY EVEN WHEN BLINDFOLDED—AFTER YOU'VE READ "EZ MATH"!

Blindfold yourself and have someone call the following numbers to you as you add them:

739
463
906
785
642

(Solve in 6 seconds) ?

$$\frac{9864372}{8146} = ? \quad (\text{Solve in 9 seconds})$$

$$\frac{4}{7} \times \frac{9}{2} = ? \quad (\text{Solve in 4 seconds})$$

1 3/4% interest per month amounts to what percentage yearly? (Solve in 4 seconds)

$$367 \times 75 = ? \quad (\text{Solve in 3 seconds})$$

WHAT IS "EZ MATH"?

"EZ MATH" is based on an amazing new method of working with numbers—easier to learn and remarkably faster and more accurate than you ever dreamed possible when you went to school. You'll be shown the way they were used—just as though you were almost at a glance—INSTANTLY! You'll be shown a unique new technique for adding hundreds and even thousands of numbers without ever making a mistake... yet now on you'll write through all figuring problems without waiting for valuable time—through income tax, checking grocery lists, never again dislike or avoid numbers—you'll actually ENJOY using them to get ahead in business!

WHAT THEY SAY:

"My employee, Joe Malone, asked for a better job. I recommended he read 'EZ MATH'. Now that he can do 'tough' problems easily, I've promoted him to head of his department with a \$35.00 monthly increase in pay. I now suggest all employees read 'EZ MATH' if they want to get ahead in their jobs."

RAIN OF THOUGHT

AMAZING CIRCUS of 6 GROWING ANIMALS

\$1.00

Watch them grow **BIGGER** and **BIGGER**

Amazing but true! Watch these toy animals grow like **CRAZY** faster and faster, bigger and bigger every day right before your eyes. Both children and adults will laugh and thrill with excitement as Ozzie the Ostrich grows his own full-feathered plume, Simba the Lion grows a long flowing mane, Smiley the Porcupine grows needles of hair, Sleepy the Hound Dog grows sad droopy ears, and Scamper the Squirrel grows a big bushy tail. And they keep growing bigger and bigger for weeks and weeks of thrills and excitement.

The Secret of Growth

These amazing toy pets actually feed and start to grow as soon as you "lead" them to a plastic cup or glass of water. The secret is a new scientific process that releases

a horticultural seed that starts the miracle of life and growth. No food or special care is required to grow your own animal circus.

You can even give the little fellows "haircuts" if you want. Not yet sold in stores. You must order direct by mail. So don't delay, be first in your neighborhood. Mail coupon today on full money back guarantee.

GROWING ANIMAL CIRCUS, Dept. 2-AC 1 Park Ave., N. Y. C.

CASH PRIZES**

MEMBERSHIP—FIFTEEN CENTS

FIRST PRIZE — \$5.00

**REPORTER
MENAR MEEBED
Road 85, N 42
Maadi, Cairo, UAR**

Dear Archie:

I just read the report of Miss Susan Mellentine who won (4th prize) on writing on Egypt about a year ago in one of Archie's comics. I am sorry to see how little she knows about my country. It is not as hot as she said.

In August it may be as hot as Winfield, Kansas. Also my country is not all desert. If you ever studied geography you would see that the river Nile is the second biggest river in the world. We have an excess of water that goes to the Mediterranean Sea every year. That is the reason why our government is working at the high dam. Have you heard about it? It is going to be in, in a very short time, the biggest artificial lake in the world. It will enable my country to cultivate more than 2 million acres of sand where nobody lives right now. Also the desert that Susan was talking about is being invaded by man. Down in the South, in the Oasis of Kdargs, engineers and agriculturists (some Americans) are working to change the sand into meadows and fields. The Valley of the Nile is all green, planted and cultivated. It is not a narrow river. On the contrary it is wide enough to enable us to export the excesses of cotton, fruits, rice, (which needs a lot of water) potatoes and even flowers to Europe and other countries.

From March 21st till June 21st is spring. We have wonderful weather. It is the blooming season (we even have a kind of tree with red flowers).

So as you see Egypt is not so hot or such a sandy country and it is a pleasure to live in. Now I hope I have cleared up any ideas that were misleading to you about my country. I guess I love my country as much as you love yours.

SECOND PRIZE — \$3.00

**REPORTER
JAYNE WALLACE
P.O. Box 156
Mount Currie, B.C., Canada**

Dear Archie:

I am not an Archie Club member, but I hope someday I will be. Well, first of all, I want you to know more about me. I am a girl of sixteen. (An Indian girl that is). I am five foot two and three quarters of an inch tall. I have dark brown hair and eyes as well. I am 104 pounds in weight. I love to write letters to boys and girls far away. Writing letters is my hobby. Just lately my fellow people started calling me Archie, because I like to make everyone laugh. I am invited to many parties because I am the life of the party, and always seem to liven things up. They always tell me don't do what Archie doesn't do in the comic strips.

I've been thinking of starting an "Archie Fan Club." I have talked to some of my teenage friends and they said it sounds like a great idea. I've got everything. A clubhouse, pens, writing paper, envelopes, stamps, members and odds and

ends. Right now we are broke because we bought different kinds of furniture for our clubhouse. We are going to call it "John Simpson."

I hope this letter gives you an idea of what I'm like and what I do in my spare time.

THIRD PRIZE — \$2.00

REPORTER
LINDA KING
109 Luke Street
Fort Huachuca, Ariz.

Jughead: What kind of pie is this—apple or peach?

Waiter: What does it taste like?

Jughead: It tastes like glue.

Waiter: Then it must be apple. The peach tastes like paste.

Archie: Are you sure there are no crocodiles around here?

Reggie: Absolutely. The sharks scare them away.

Reggie: Did you ever tickle a mule?

Archie: No.

Reggie: Try it. You'll get a big kick out of it.

Moose: Can I put this wallpaper on myself?

Clerk: Yes, but it would look better on the wall.

Mother: Did you take a bath today, Moose?

Moose: Duh, no, Mom. Is one missing?

Betty: (at counter): I'd like a triple chocolate ice-cream sundae with lots of nuts and whipped cream.

Soda Jerk: With a cherry on it?

Betty: Golly no. I'm on a diet.

Souphead: Mom, may I have an apple?

Mom: But you just had your lunch.

Soupehad: Yes, but an apple a day keeps the doctor away, and I just broke his window.

If you want to be an ARCHIE CLUB MEMBER eligible to win all these CASH PRIZES,

not to mention a BIG BYLINE in a top-notch comic magazine, then just fill out the coupon below and mail it along with 15¢ in coin to cover cost of mailing and handling. FAMOUS MILITARY MEDALS

NOW you can own a collection of the medals that heroes have won in glorious deeds around the world! Wear the renowned Croix De Guerre, the illustrious Victoria Cross—many of the world-famous medals that are awarded only for courage beyond the call of duty—for conspicuous valor in action!

These medals are absolutely authentic reproductions—slightly smaller in size—exactly like the original medal (including ribbon) in every detail. They are app. 2 1/4" x 1", with pin-back, ready to wear! Each comes to you handsomely mounted on a full-color card that gives the history of the medal and why it is awarded.

YOU CAN ORDER THESE FAMOUS MEDALS:

Victoria Cross (England), Croix De Guerre (France), Iron Cross (Germany). Not shown here, but available: Croix de Guerre (Belgium), Legion of Honor (France), Order of the Crown (Italy), Distinguished Service Order (England), Most Exalted Order of The Star of India (England). Only \$1 each, plus 25¢ PP & Hdlg. Any 2 for \$2.25 postpaid; all 8 for \$7.75, postpaid. Hurry! Avoid disappointment. Get your order in NOW!

Curator of Mammals
New York Zoological Park

Kids! Show this page to Mom or Dad EXCELLENT FOR HOME AND SCHOOLWORK

IDEAL FOR STUDY AND REFERENCE

Parents: Please note that each book has been written by one of the world's scientific authorities and approved as supplementary reading by librarians and educators. The subjects covered are the very ones now being taught to your children in school. Each book abounds with factual information your child will find invaluable in doing homework and school projects. Any topic can be looked up with a minimum of time and effort. Homework will not only get done easier and faster but will be of a consistently higher quality. You will actually experience the satisfaction of seeing your youngster's grades improve.

Adventure! Discovery! Excitement! All await you. And all you need do is fill in and mail the coupon below to Archie Comics.

You'll thrill to the wonders of the living sea — the microscopic marvels of the insect world — the strange mammal creatures.

Diving saucers will take you down to the ocean's floor. Underwater TV will reveal the little-known inhabitants of the deep. You'll see the unusual parrotfish, the lionfish, the clownfish, and scores of others.

What is an insect? Is it true that insects will conquer man and rule the earth? What is the urge that makes us destroy? THE INSECT WORLD answers these questions and brings you face to face with hundreds of insects such as the Ten Spotted Dragonfly, The Cicada Killer, and the Tiger Beetle.

Imagine . . . a "flying" animal that glides through the air and has its own parachute . . . a whale that has only one tooth — NINE FEET LONG! These are but some of the many strange and unusual creatures you'll meet in your books.

- Illustrated with life-like full color photographs and pictures.
- Beautiful library bindings specially constructed for lifetime wear under the most rugged use.

Don't delay. Send for your 3 books today and save (\$1.35 off the regular price). The complete price of \$7.50 includes all costs; postage, shipping, handling. You pay nothing more. This offer valid only if sent on the coupon.

How to make really sure you get a Cadet this Christmas

Tell Santa you want one  tell Mom  tell Dad 
tell Grandma and Grandpa  tell Uncle and Auntie 
put it in writing  leave notes around the house. 

The Cadet, you know, points the way to ten thousand miles of bike-hiking fun. Look at the dial. It shows every exciting mile you ride. And the Cadet's fire-orange pointer shows how fast you travel... up to 50 miles an hour. Works like a car speedometer! Shockproof, too. Really looks sharp in its streamlined case. And it fits

all bikes. Imagine how it will look on yours. You'll be the talk of your block with your genuine Cadet Bike Speedometer. Just remember to let folks know you want one. Why not start right now by tearing out this ad and putting it where it will do the most good? Maybe at Dad's place at the table to-night? MERRY CHRISTMAS!
